Nein, keine Sorge! Eine Sache von ein paar Minuten.

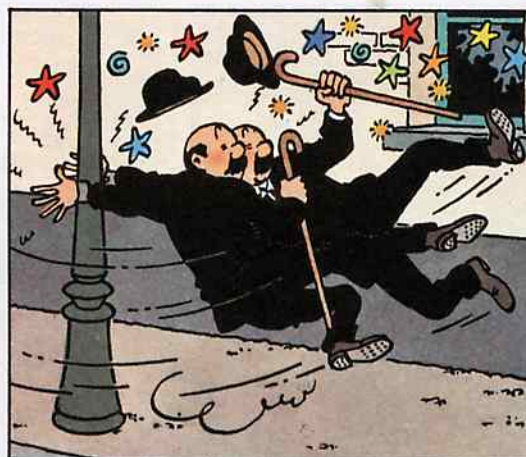

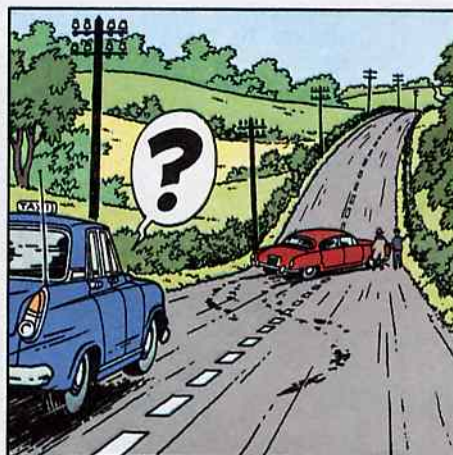

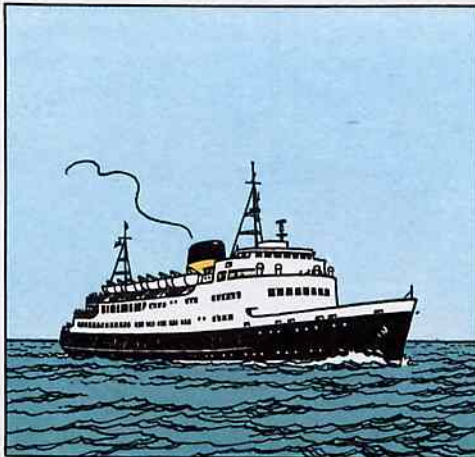

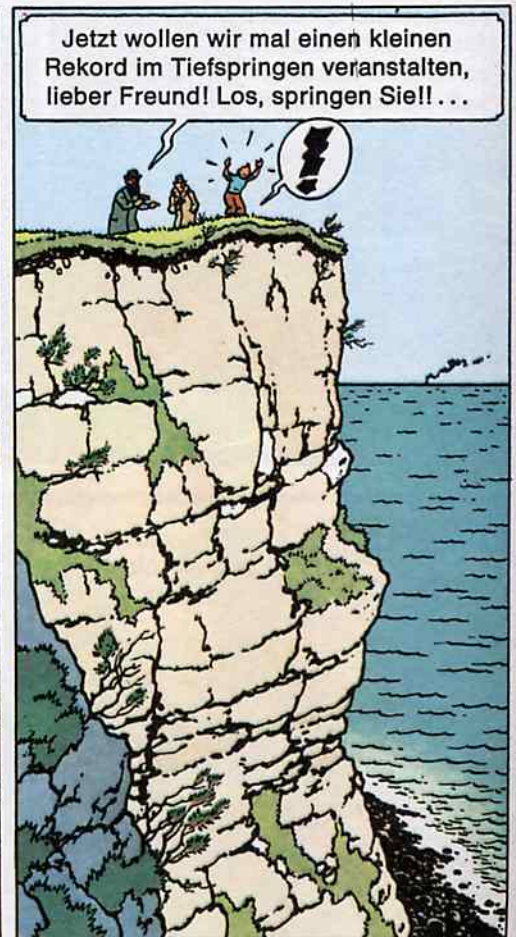

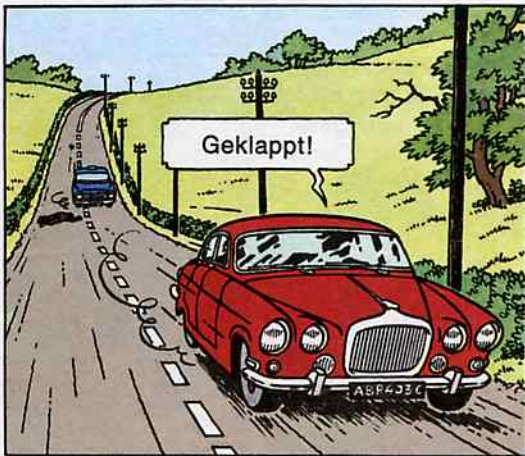

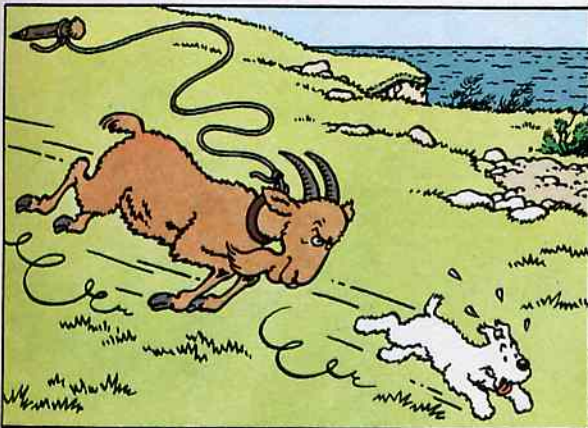

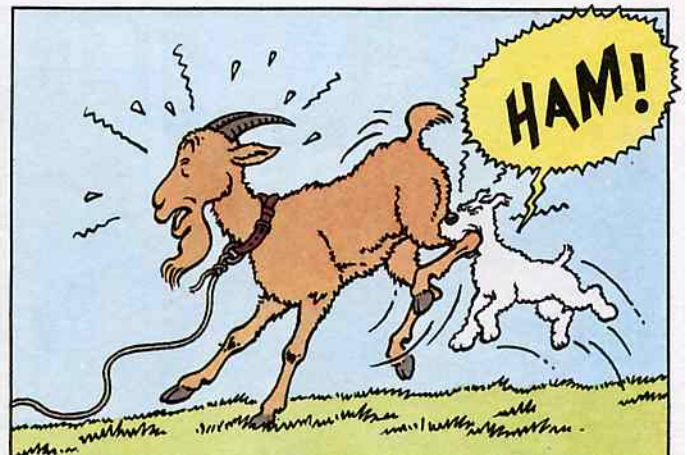

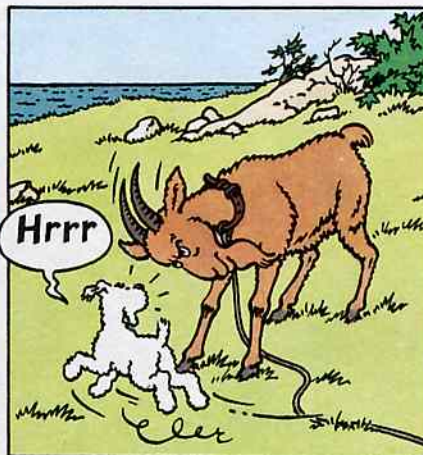

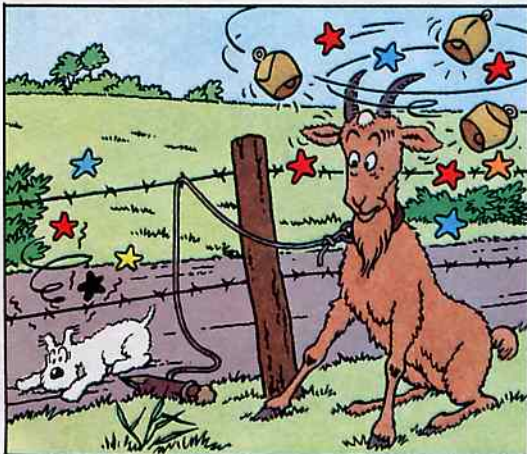

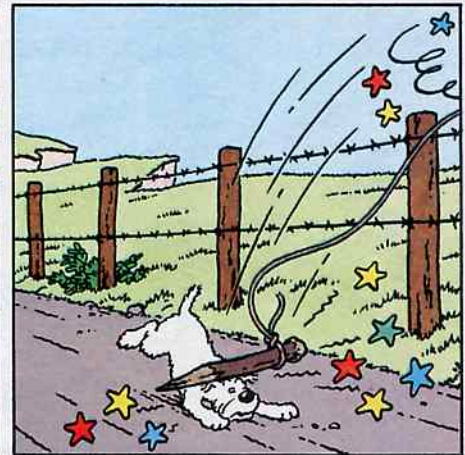

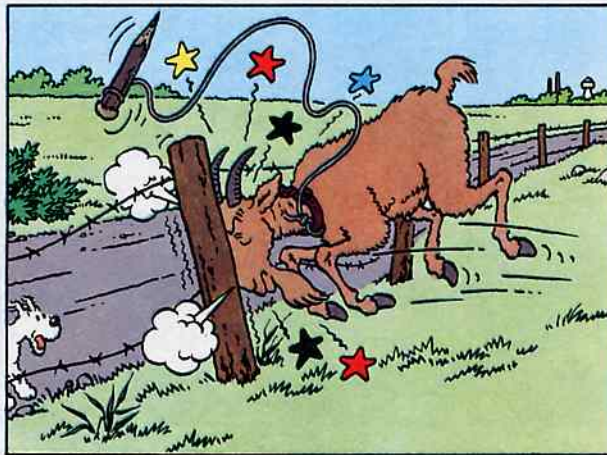

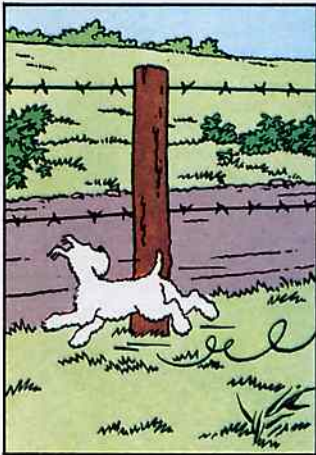

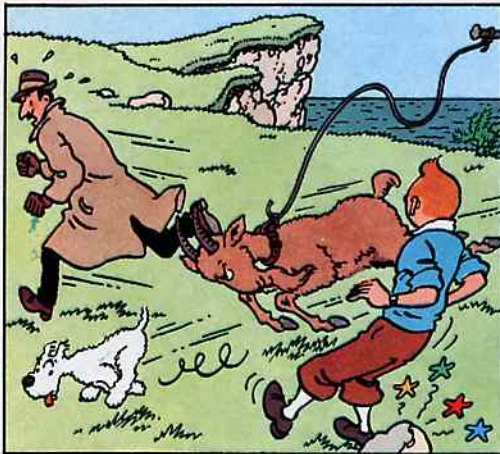

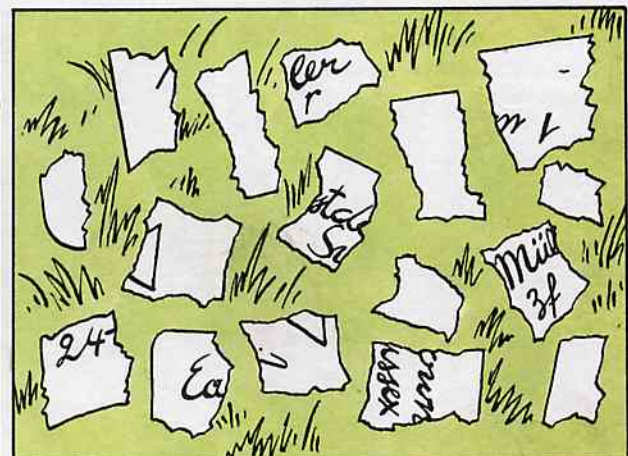

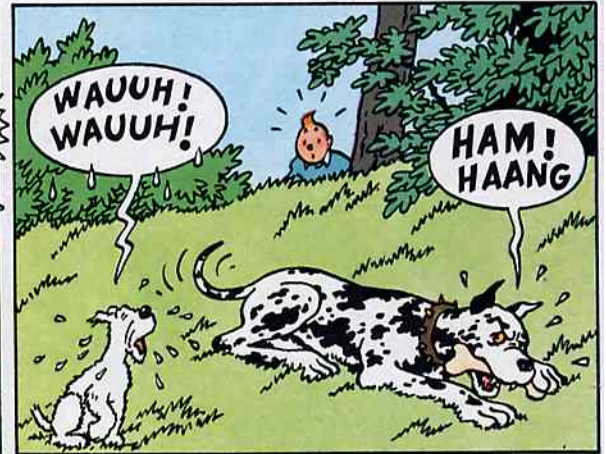

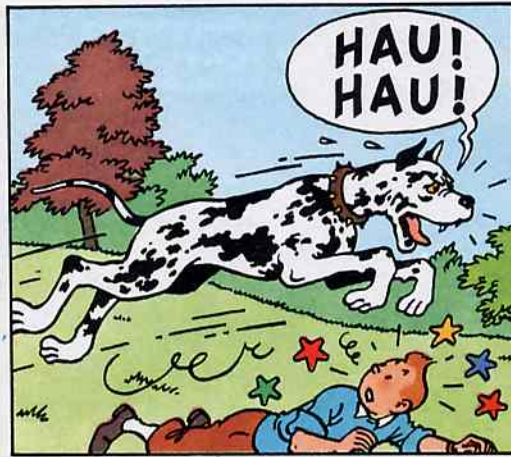

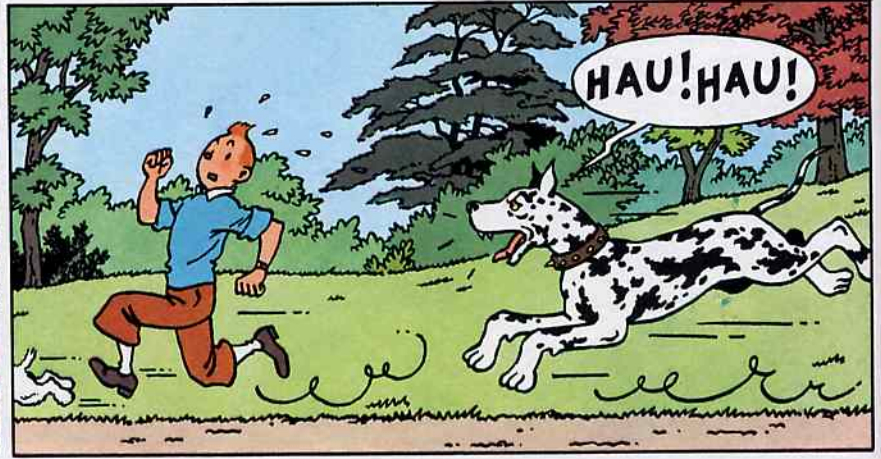

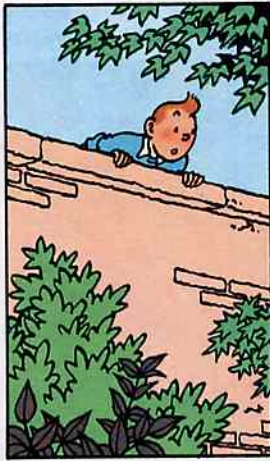

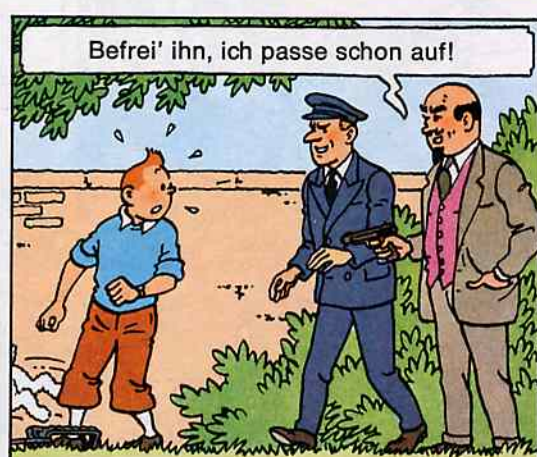

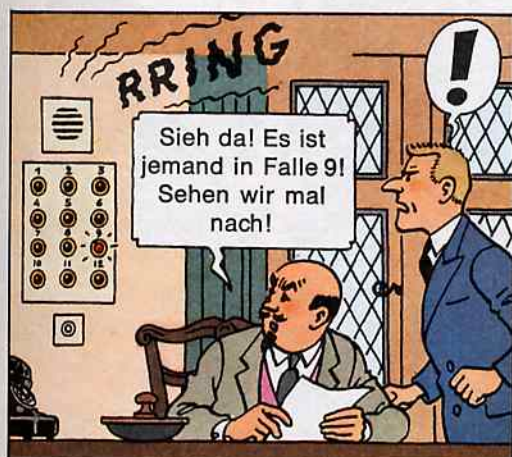

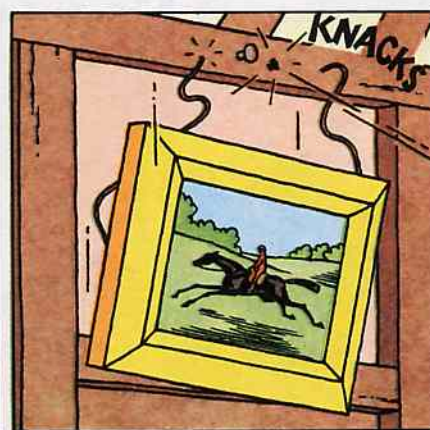

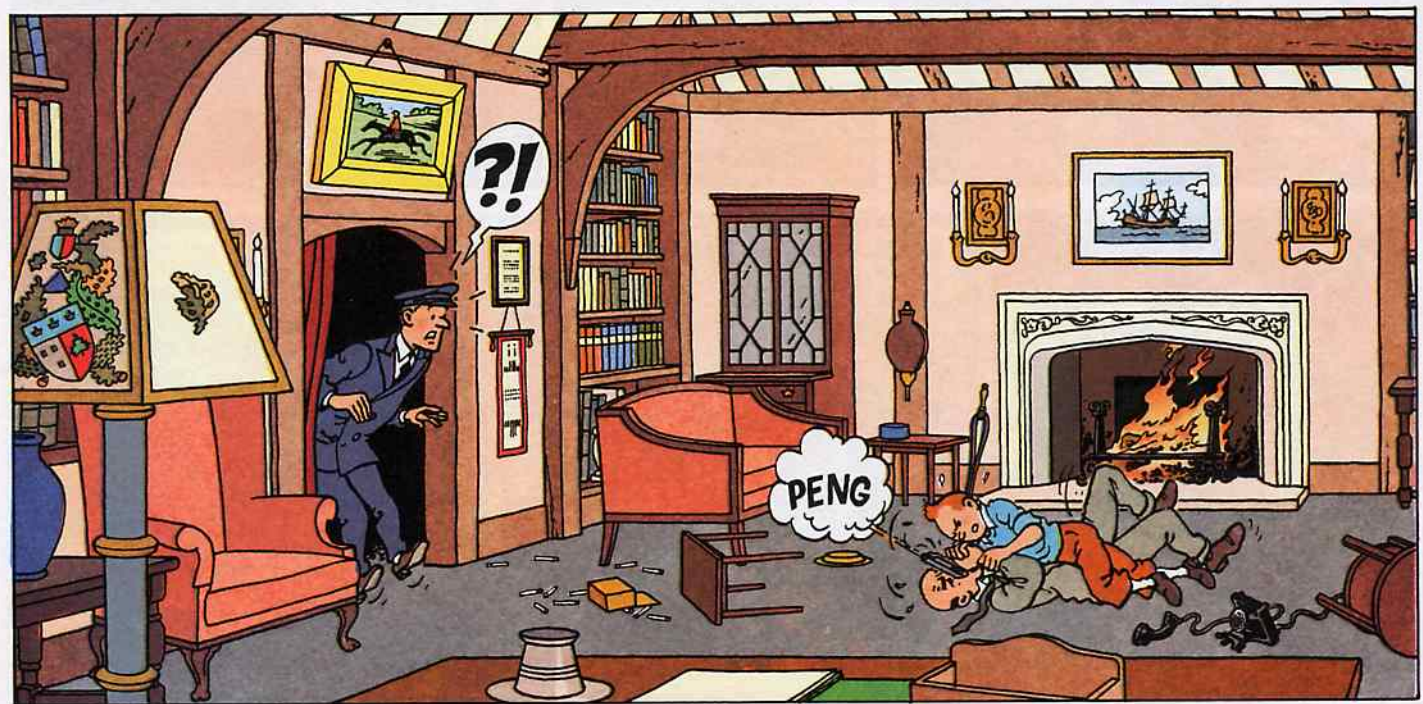

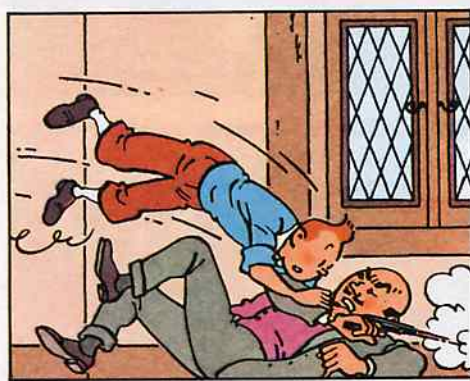

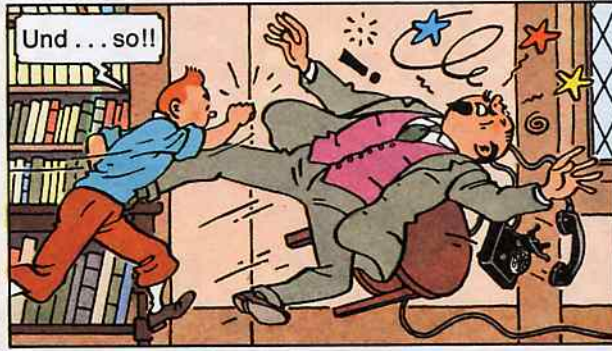

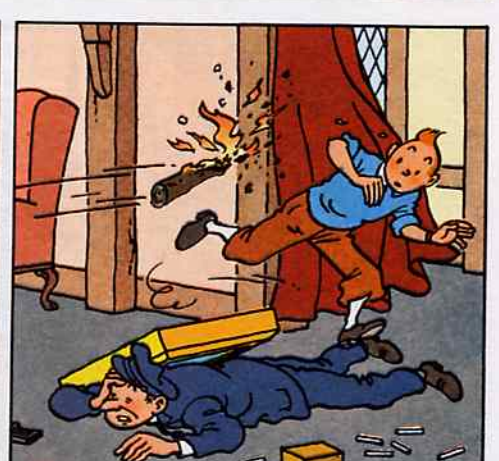

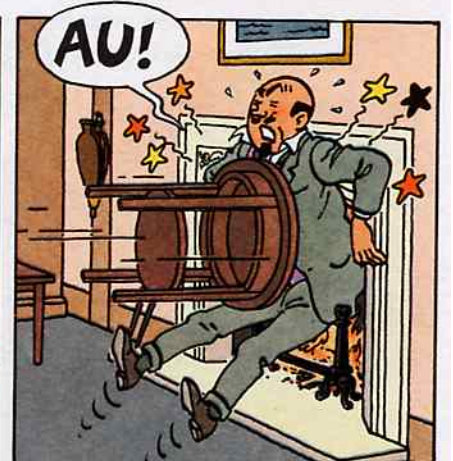

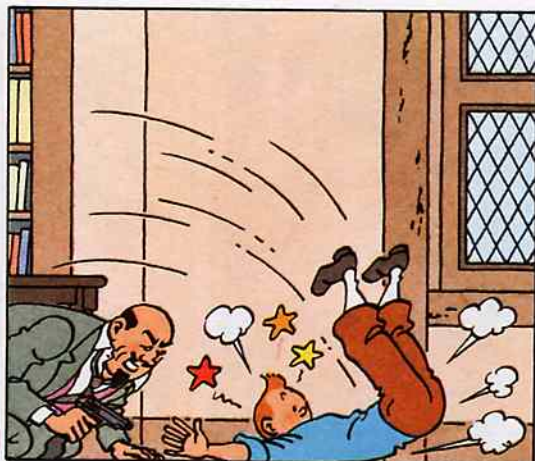

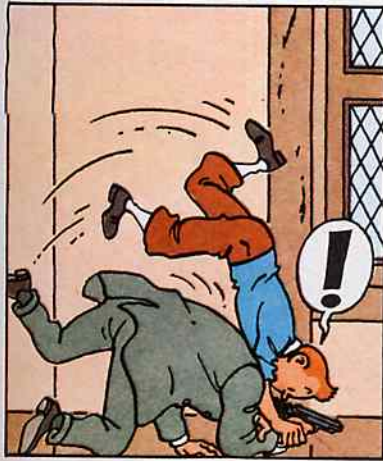

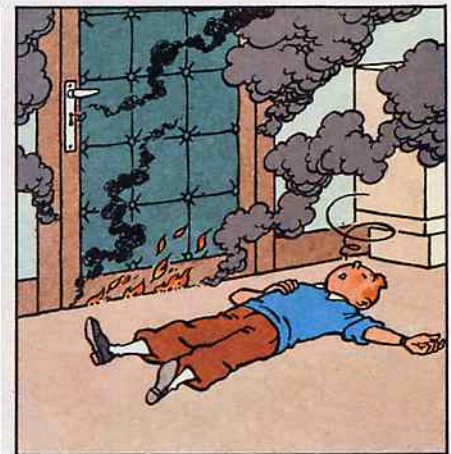

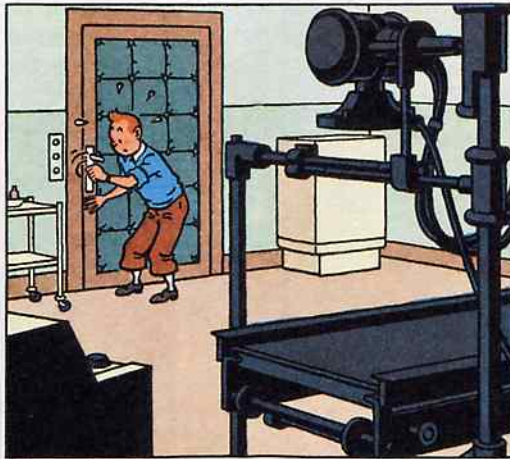

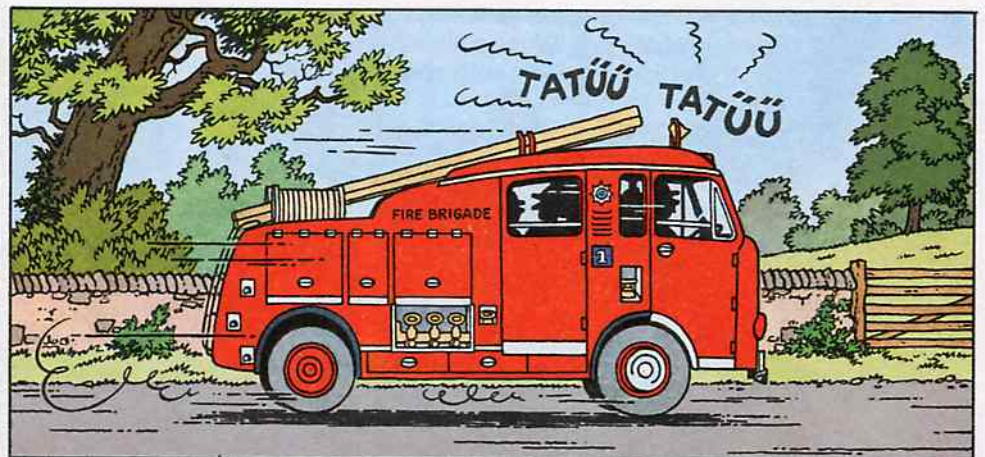

Am folgenden Tag ...

Und was ist mit Dr. Müller geschehen?

Leider kamen meine Leute zu spät. Sein Wagen parkte vor dem Tor, und die beiden rasten auf und davon.

Pech! Ich hätte zu gern gewußt, warum ich Müller störte ... Aber die sind mich noch nicht los! Zuerst wollen wir mal die Brandstelle besichtigen. Vielleicht finden sich Spuren.

Sie können unmöglich aufstehen!

Aber, Herr Doktor, ich fühle mich prima!

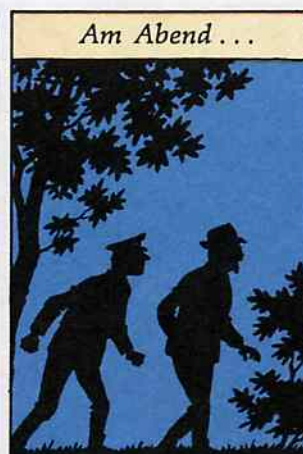

Das ist nun der klägliche Rest der Müllerschen Villa!

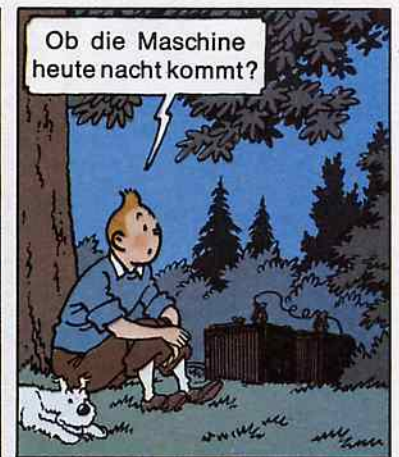

Da werde ich wohl kaum etwas finden ...

Sieh an! ... Ein Elektrokabel!

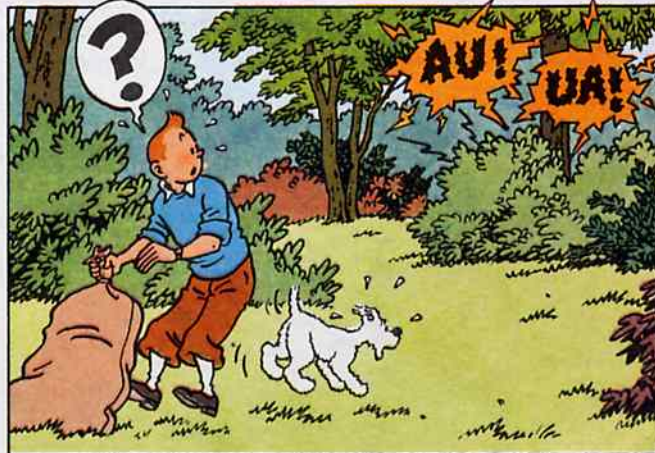

Oh, das geht ja noch weiter!

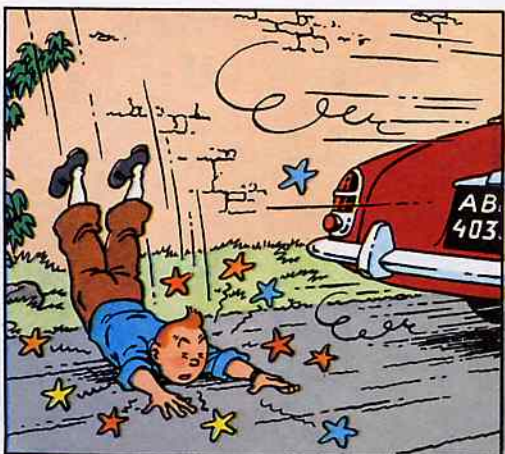

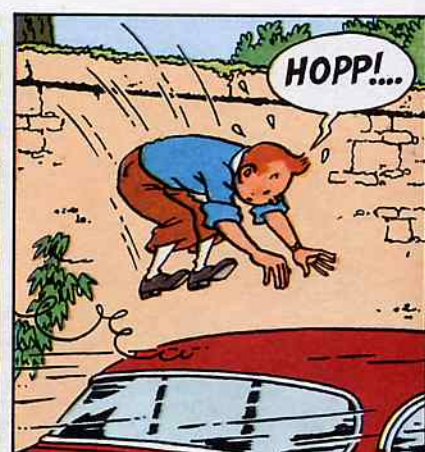

Wo das wohl hinführen mag? ...

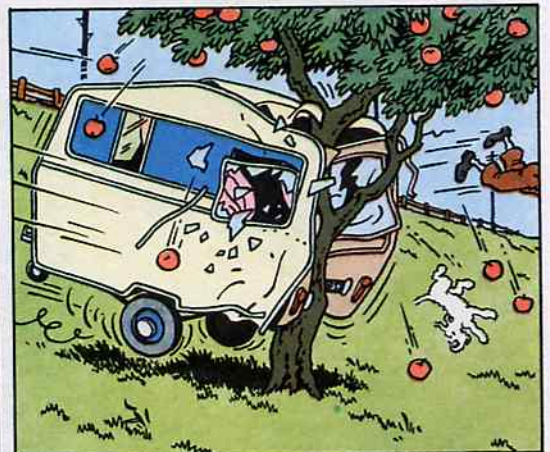

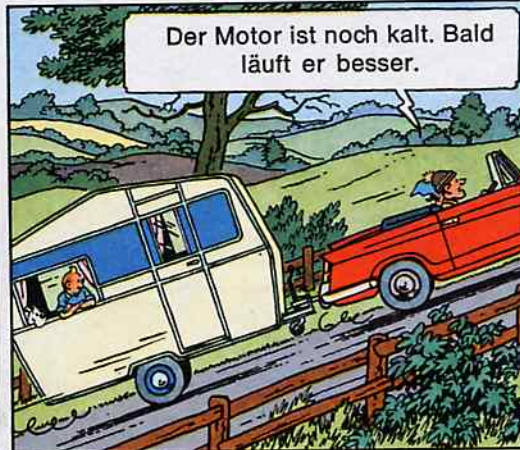

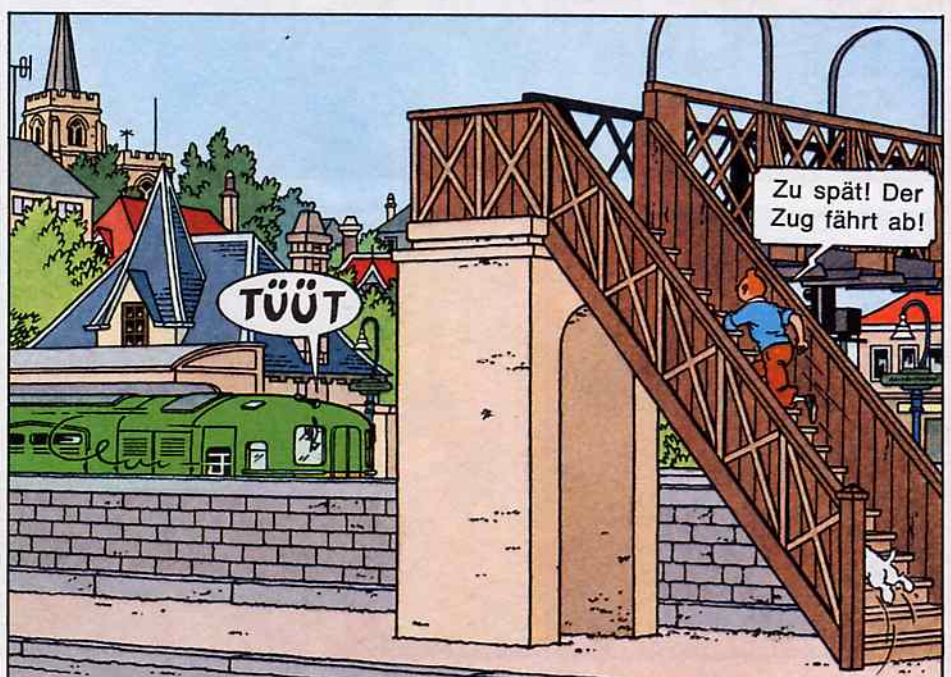

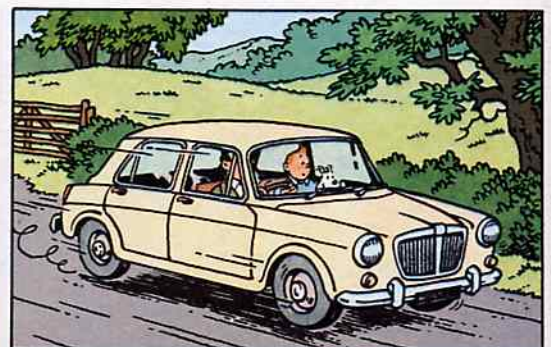

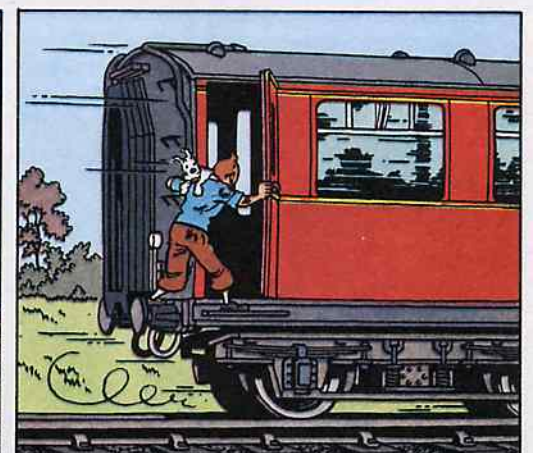

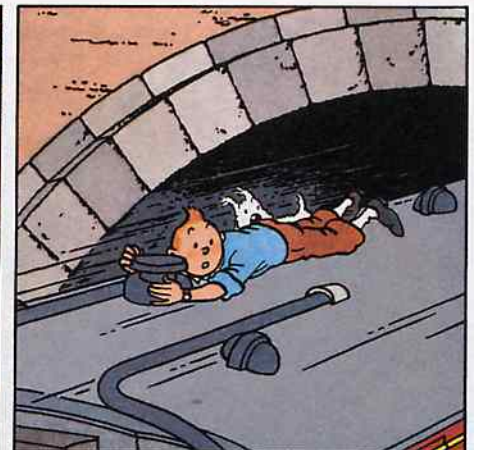

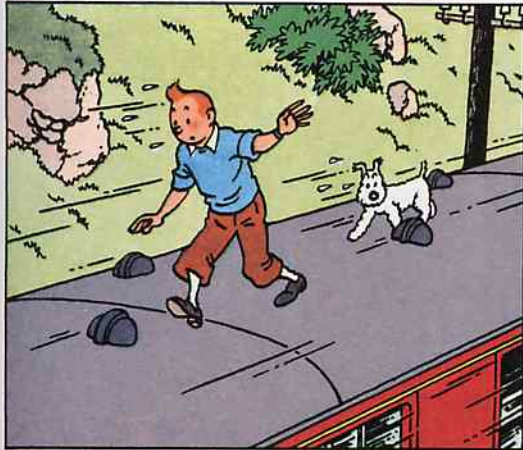

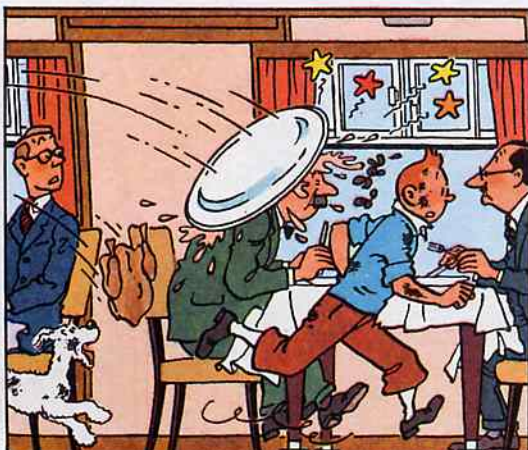

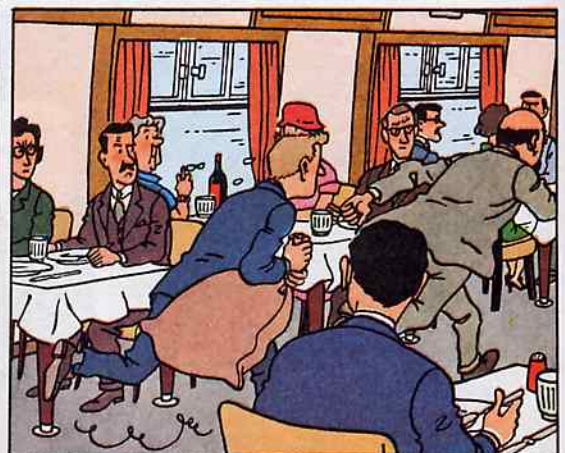

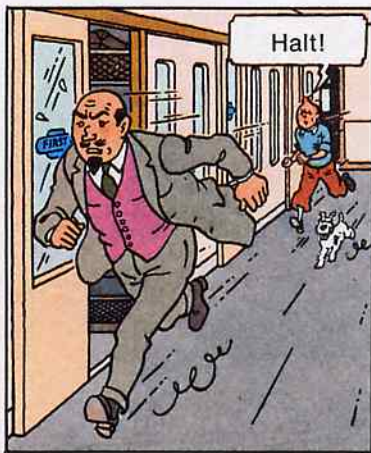

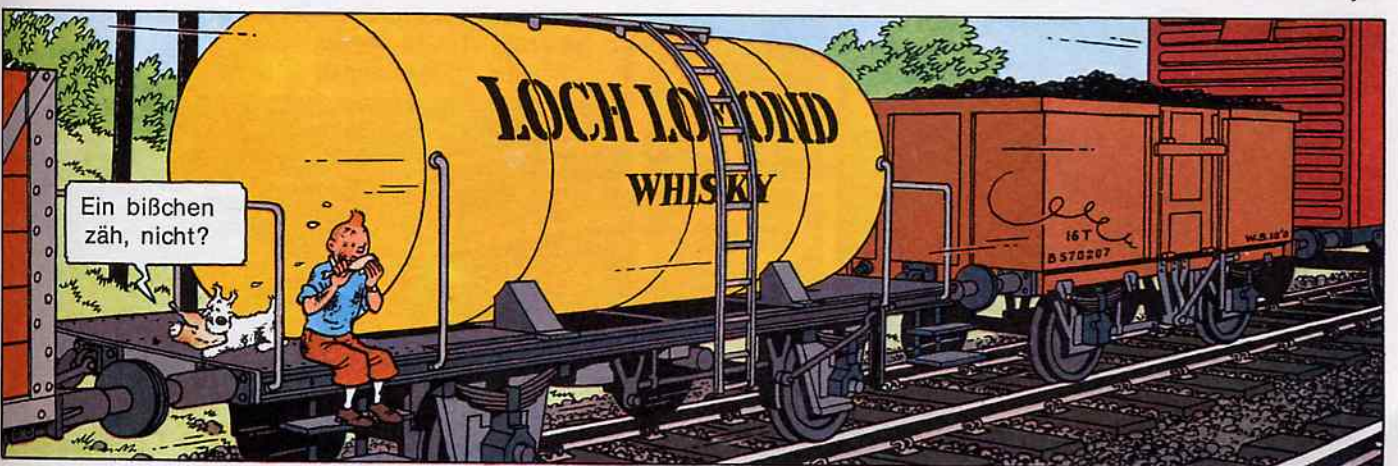

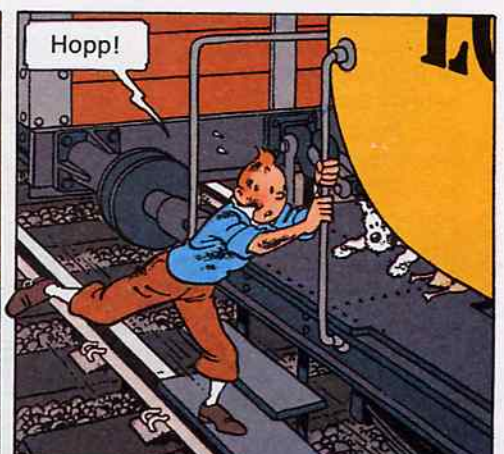

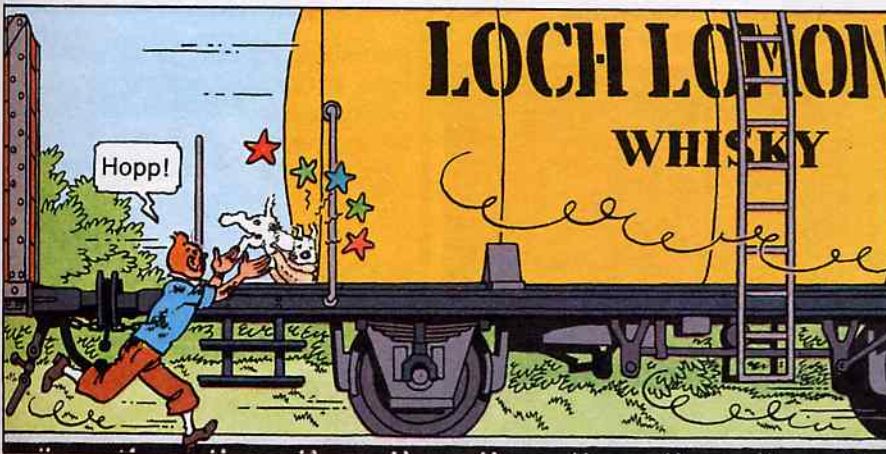

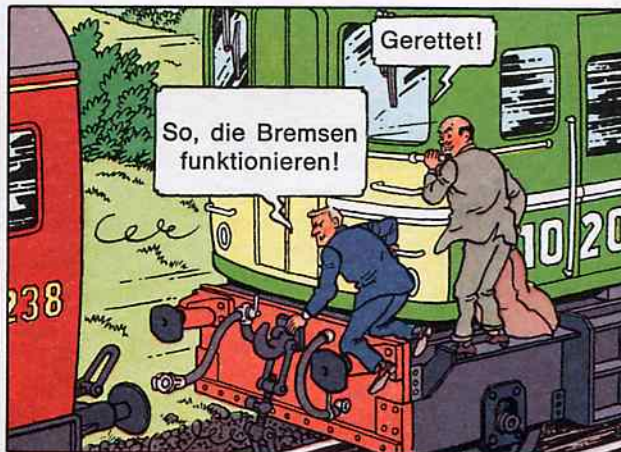

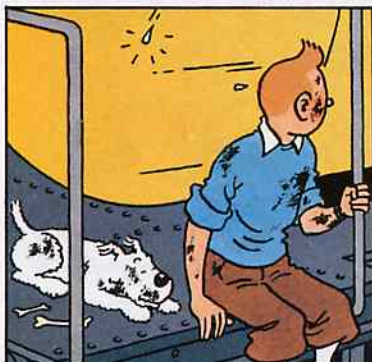

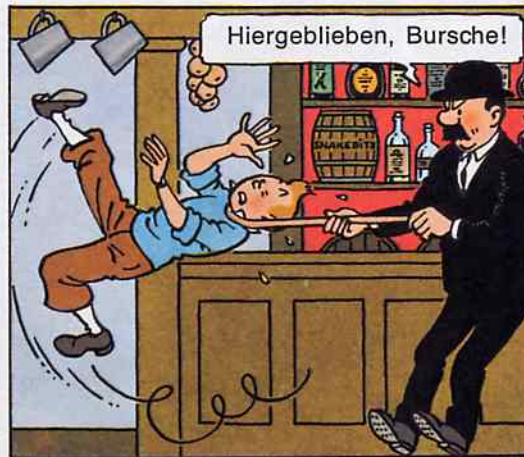

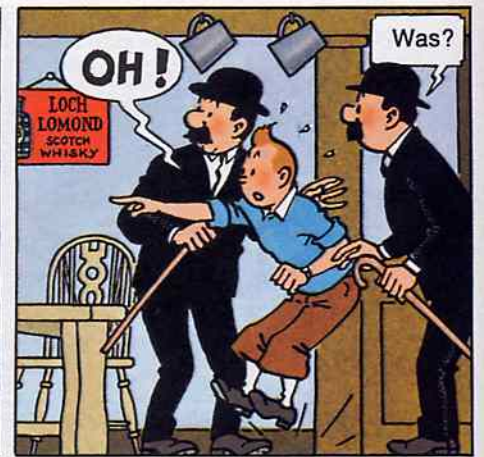

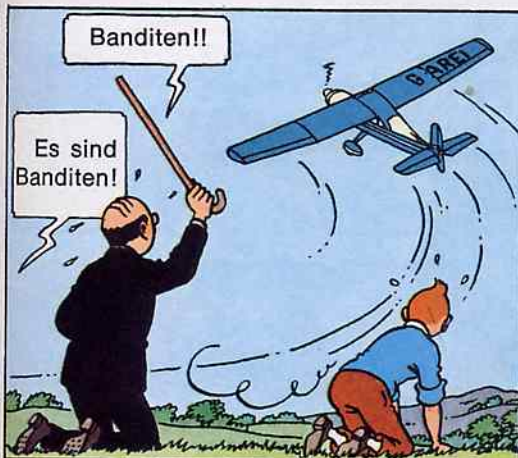

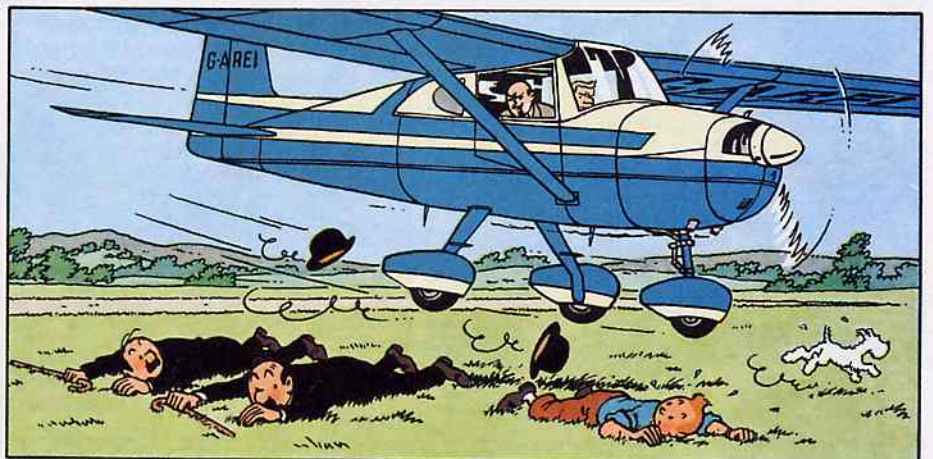

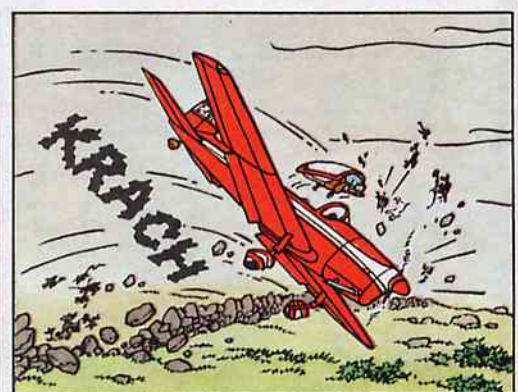

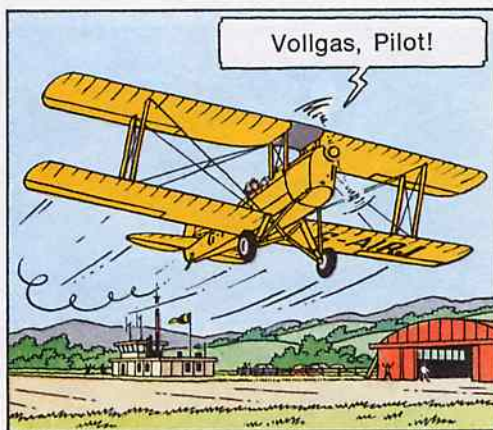

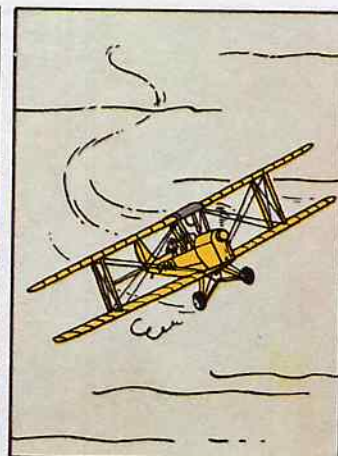

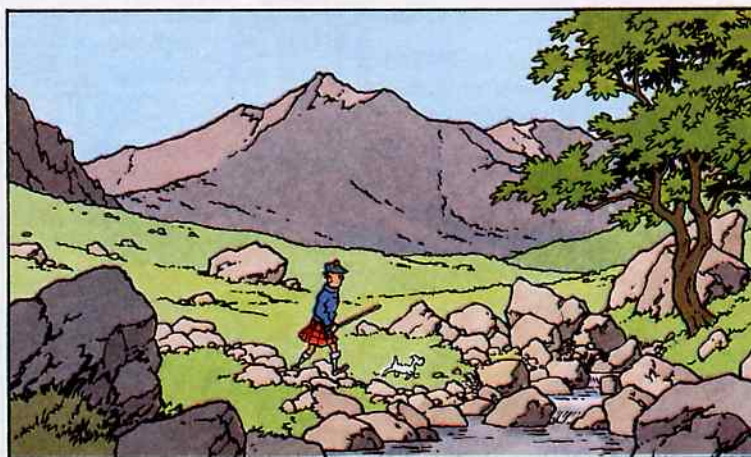

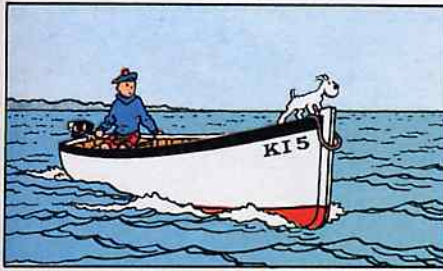

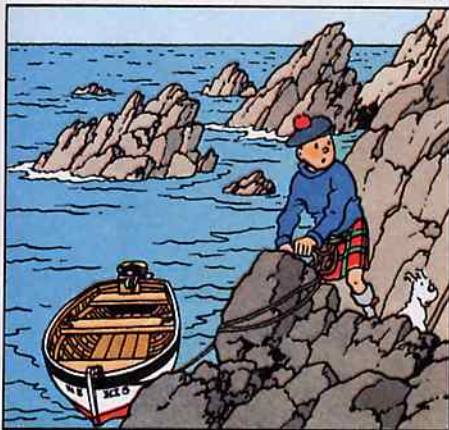

Die Schwarze Insel!

Die Leute in Kiltloch
hatten recht: Hier sieht
es unheimlich aus!

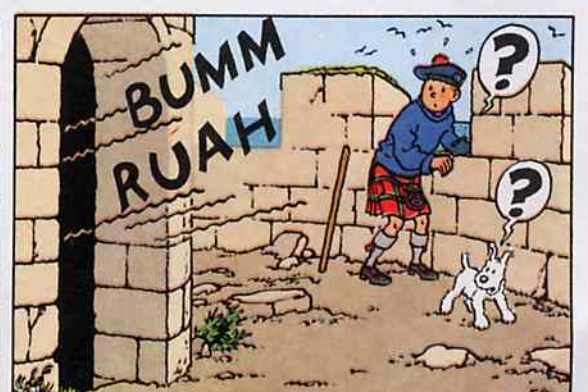

Wollen mal das
Schloß ansehen!

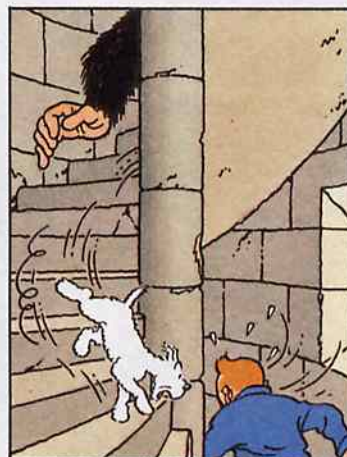

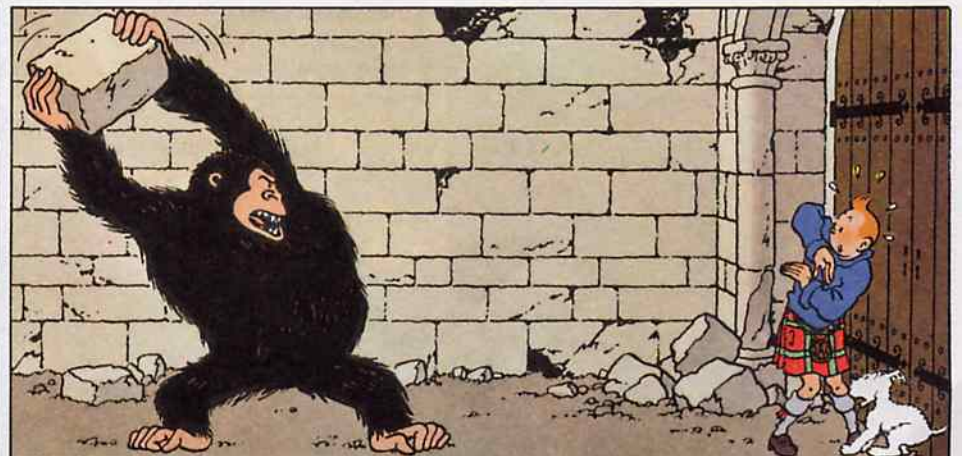

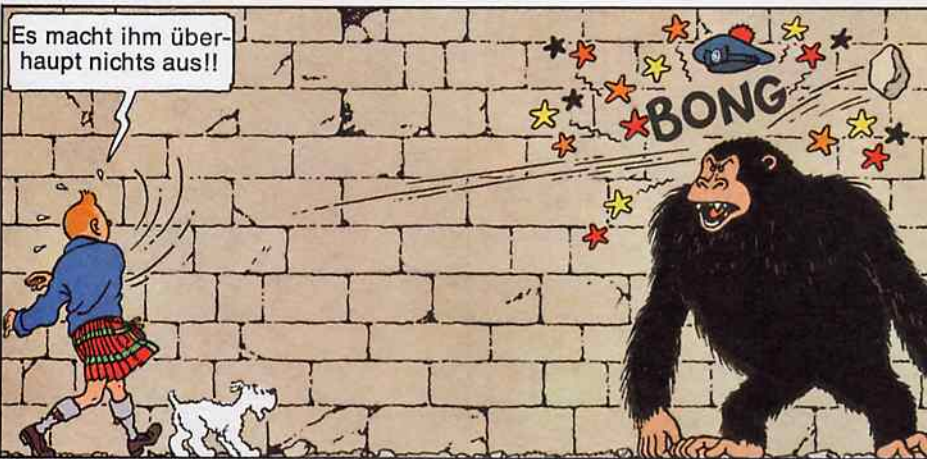

Sicher ist das die
Treppe zum Turm.

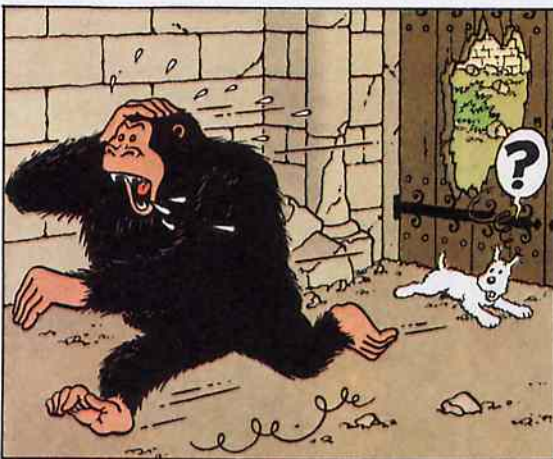

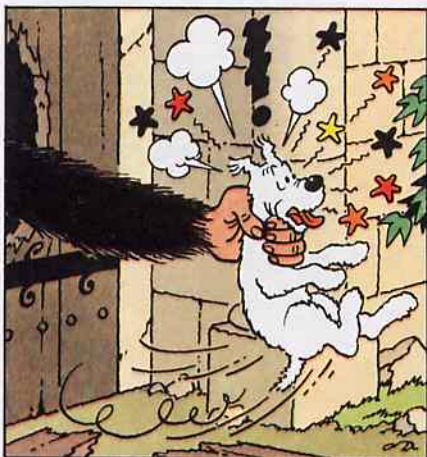

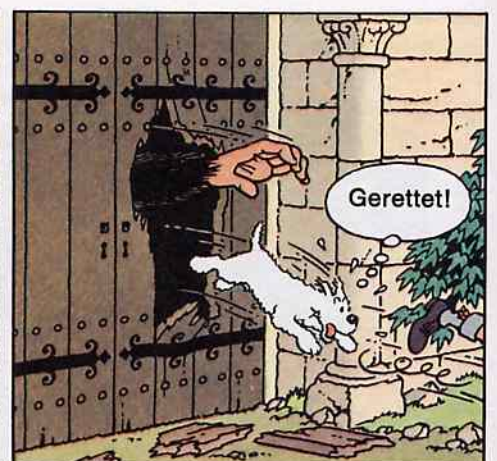

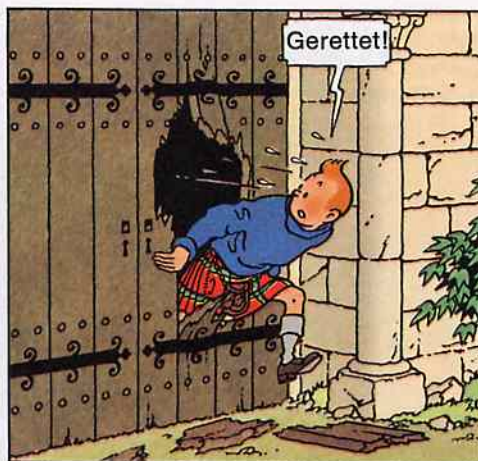

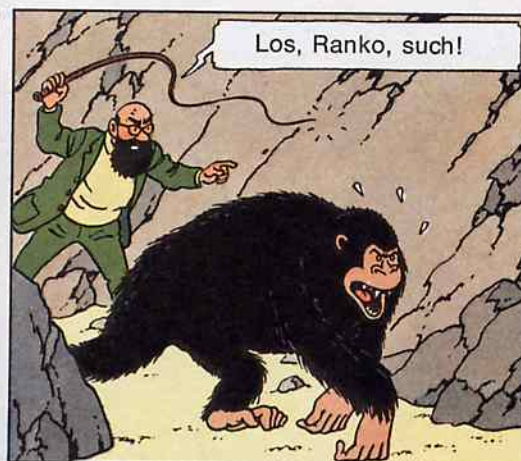

Phantastische Aussicht!

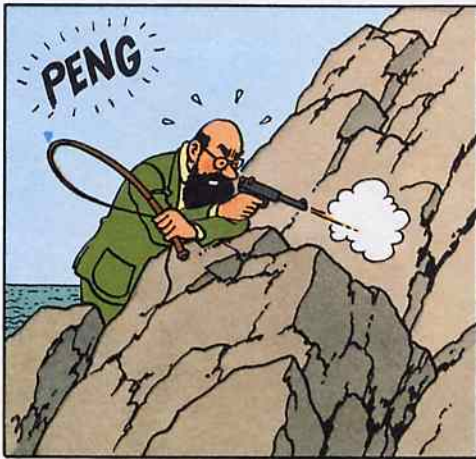

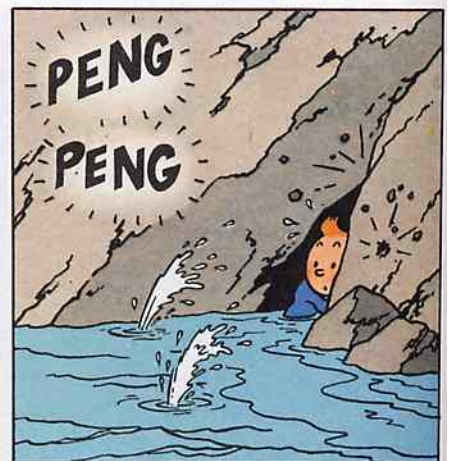

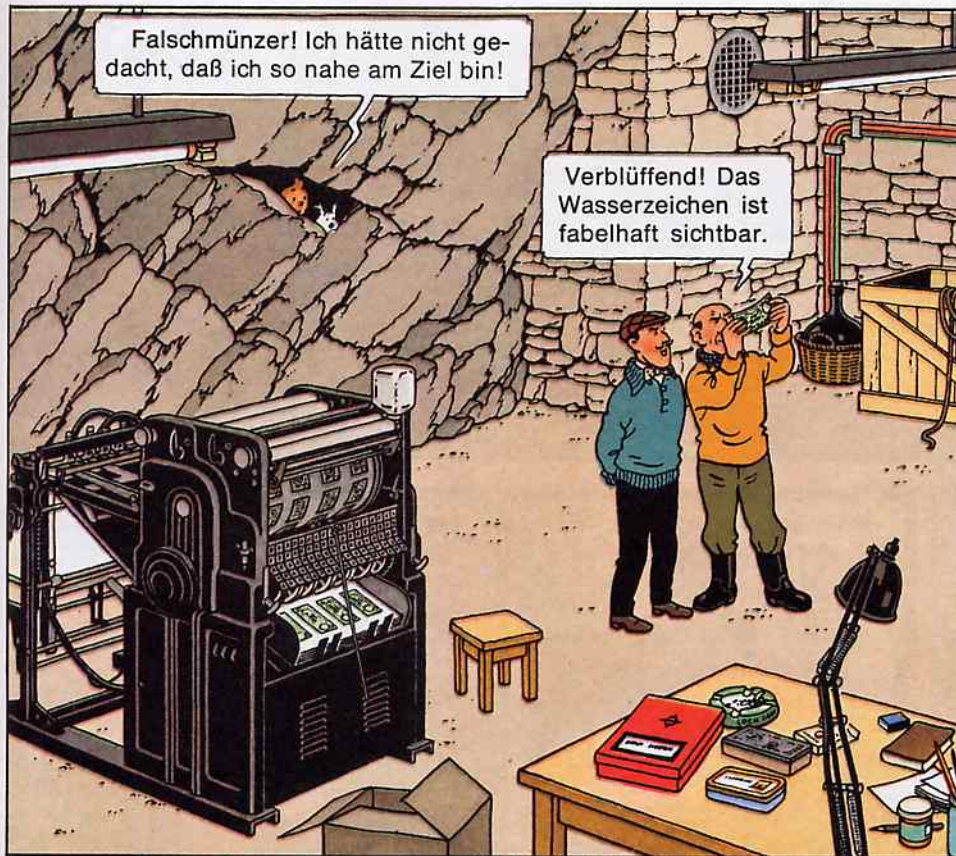

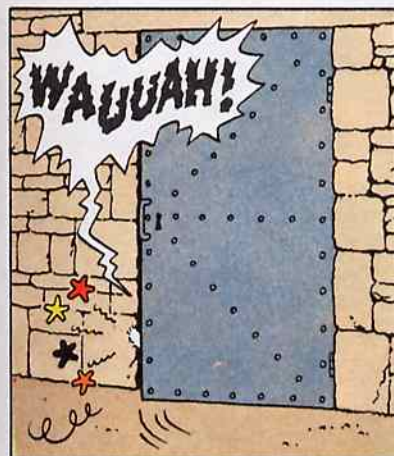

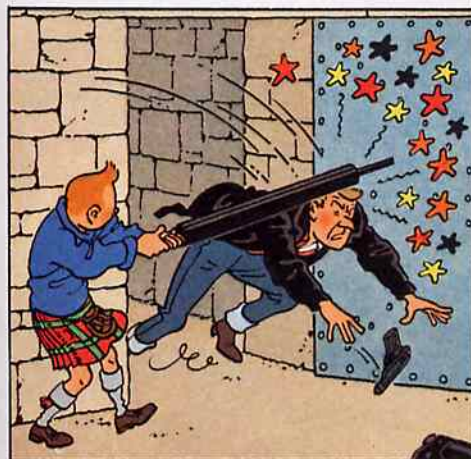

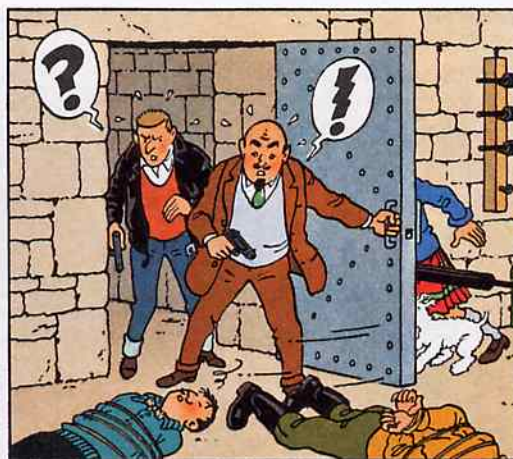

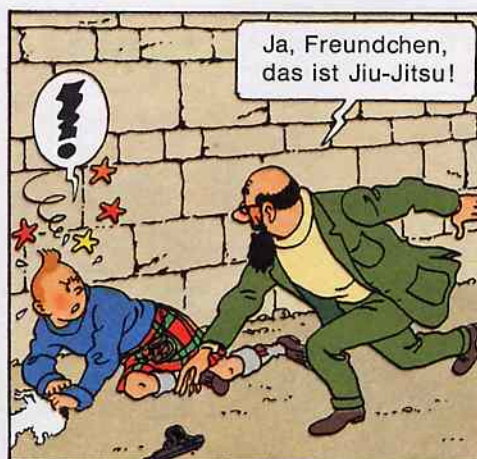

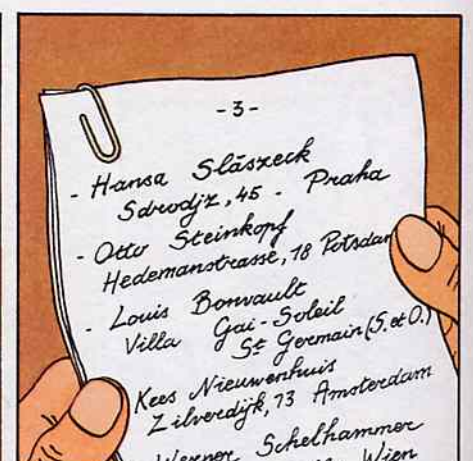

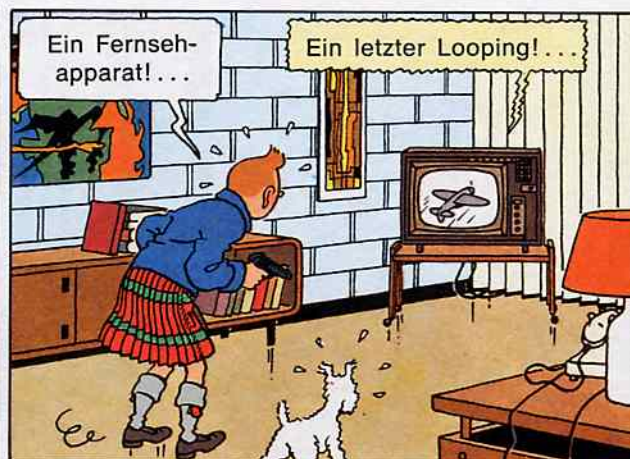

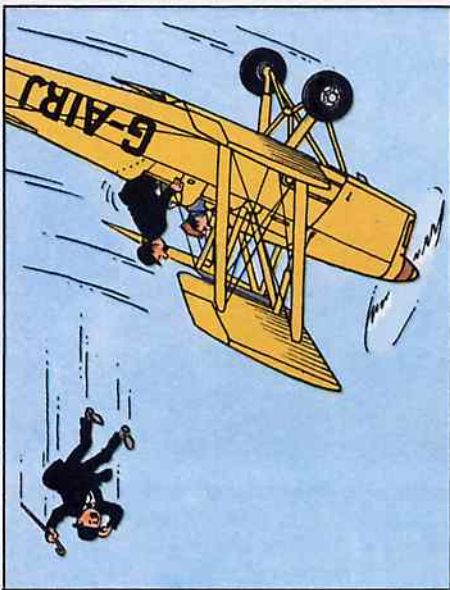

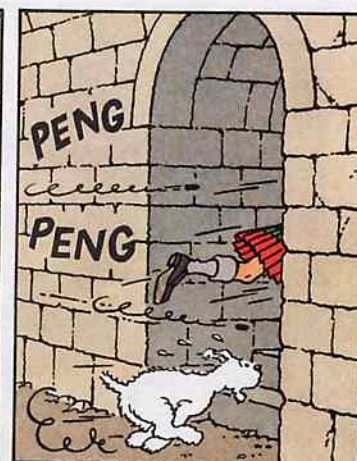

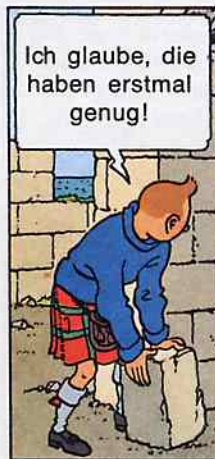

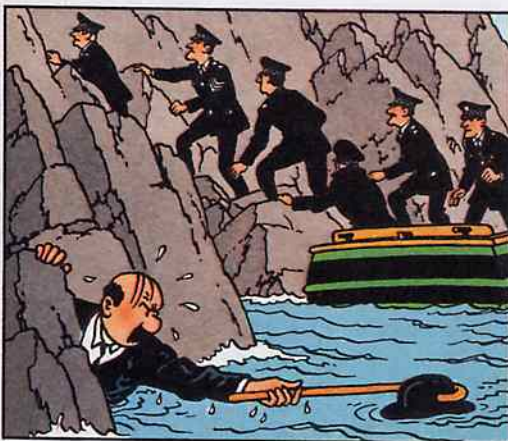

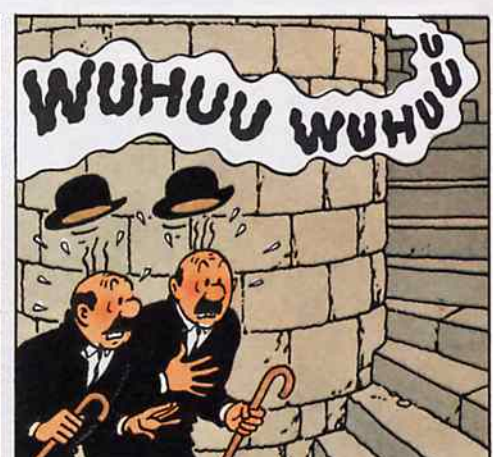

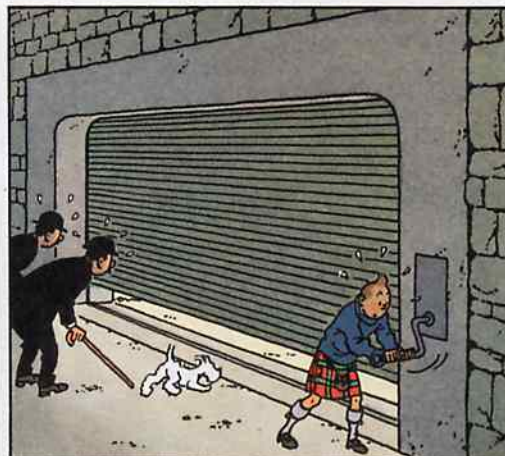

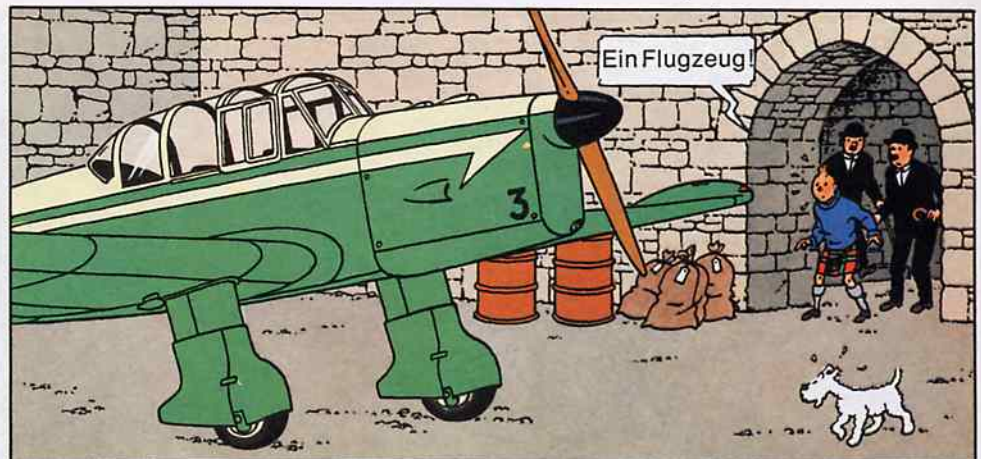

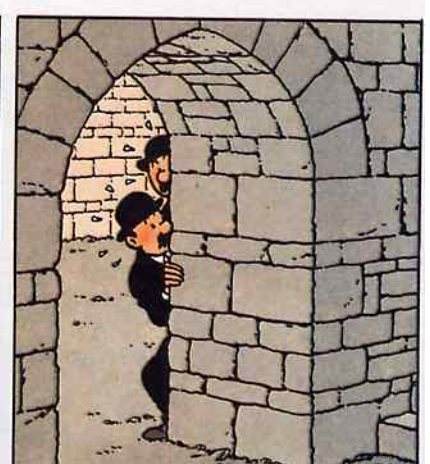

Es ist aus!

FALSCHMÜNZERBANDE GEFASST

Tim und Struppi im Alleingang gegen Verbrecherorganisation

Von unserem Korrespondenten

Unter strengster Bewachung müssen die fünf Übeltäter in den Polizeiwagen steigen, der sie nach Edinburgh bringt, wo sie vor Gericht gestellt werden sollen.

Hier einige Muster des Falschgeldes, das auf der Schwarzen Insel gefunden wurde. Die Banditen brachten es per Flugzeug zu ihren Komplizen ins Ausland, wo es dann in den verschiedenen Ländern in Umlauf gebracht wurde.

Der berühmte Reporter Tim, dessen Mut und Kühnheit es der Polizei ermöglichte, die internationale Falschmünzerbande zu fassen, hat von der Schwarzen Insel den Gorilla mitgebracht! Die Verbrecher benutzten ihn, um die Fischer der Umgebung zu vertreiben. Hier sieht man Tim im Londoner Zoo mit dem Affen.

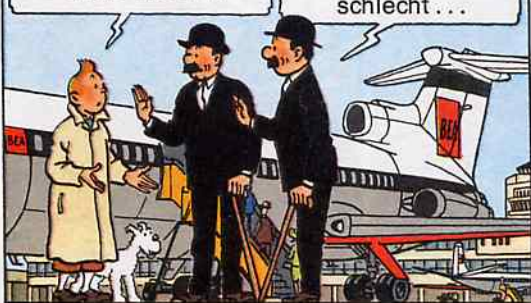

Hier der berühmte Tim mit den Polizisten, die die Banditen verhafteten.

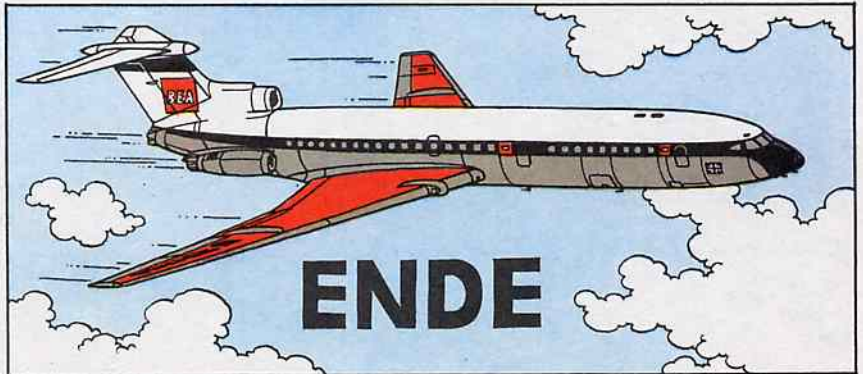

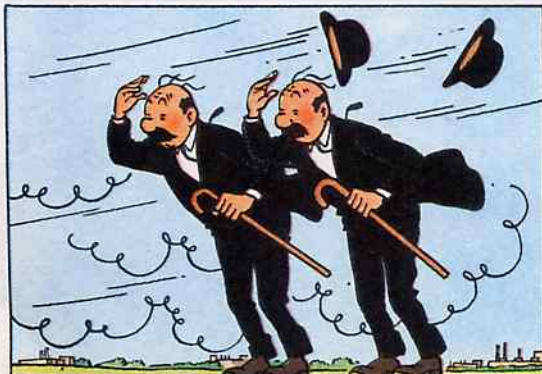

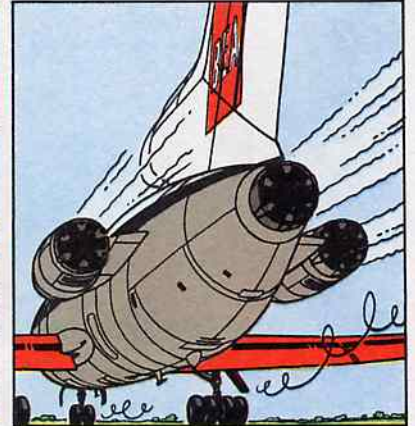

Am nächsten Tag ...

Nanu, Sie kommen nicht mit? ...

Äh ... nein, danke ... Wir ... vertragen ... hm ... das Fliegen so schlecht ...

Auf Wiedersehen!
